Class XII

- Uttarakhand Board
- 2015
- 87.40%

Skills

Programming Language

- Python
- Sql

Data Analysis Tools

- Excel
- Pandas
- Numpy

About Me

As a motivated and curious fresher, I have a strong interest in data analysis. Although I faced difficulties while attempting a government exam, I saw it as a chance to learn more about myself. With a strong desire to expand my knowledge and a determined mindset, I am excited to contribute to the field of data analysis and make a meaningful impact.

Presentation

- Power point

Project

Smartphones

- aggregated data using web scrapping from smartprix website
- assesing and cleaning of data
- eda on the datasets

Internship(Seminar)

Department of Science and Technology

- In the field of science and technology where first time I ever feel the power of mathematics
